

Autodesk AliasStudio Now Available Nationally Through INCAT

December 19, 2006

SAN RAFAEL, Calif., Dec. 19 /PRNewswire-FirstCall/ -- News: INCAT, an Autodesk Authorized Reseller, has been certified to sell Autodesk AliasStudio software throughout the entire United States. The authorization follows INCAT's success selling Alias products from its California office over the last several years.

Effective immediately, Autodesk AliasStudio will be available from INCAT on a nationwide basis. Autodesk customers across the country will have a new reseller to support them -- one with deep manufacturing solutions expertise. Autodesk AliasStudio is world-leading industrial design software for the product design and transportation markets. It delivers a comprehensive suite of tools for the rapid creation, evaluation and visualization of design ideas -- from concept sketches through to engineering.

About INCAT: INCAT is a Tata Technologies company. Founded in 1989, the Company is a leading independent international provider of engineering and design (E&D) services to the world's largest automotive, aerospace and durable goods manufacturers. INCAT is focused on services and solutions for Product Lifecycle Management (PLM) and Information Lifecycle Management (ILM), creating value for its clients through its unique-in-the-industry Global Delivery Model, its state-of-the-art technology and a pragmatic approach to engineering and manufacturing processes that reduces costs and time to market; and helps clients realize superior products.

INCAT is headquartered in the United States (Novi, Mich.) and Germany (Stuttgart). Tata Technologies is headquartered in Pune, India. INCAT has a combined global work force of more than 3,000 employees serving clients worldwide from facilities in North America, Europe and the Asia-Pacific region. www.incat.com.

About Autodesk: Autodesk, Inc. is a Fortune 1000 company, wholly focused on ensuring that great ideas are turned into reality.
