

Autodesk to Present at Upcoming Investor Conferences

August 28, 2008

SAN RAFAEL, Calif., Aug. 28 /PRNewswire-FirstCall/ --

WHAT: Autodesk, Inc. (Nasdaq: ADSK) today announced its executives will be speaking at the following investor conferences in the August 2008 quarter:

- Citigroup Global Technology Conference on September 4 in New York
- Deutsche Bank Technology Conference on September 10 in San Francisco
- Jefferies Technology Conference on September 11 in New York

DETAILS: A live webcast, replay and podcast of the presentation will be available. Interested parties can hear the webcast and the replay over the Internet through Autodesk's Investor Relations Website at <http://www.autodesk.com/investors>. Please go to the Website at least 15 minutes early to register, download and install any necessary software. For those who cannot listen to the live broadcast, a replay will be available on this site shortly after the call.

CONTACT: For more information, please call Autodesk Investor Relations at 415-507-6705.

About Autodesk

Autodesk, Inc. is the world leader in 2D and 3D design software for the manufacturing, building and construction, and media and entertainment markets. Since its introduction of AutoCAD software in 1982, Autodesk has developed the broadest portfolio of state-of-the-art digital prototyping solutions to help customers experience their ideas before they are real. Fortune 1000 companies rely on Autodesk for the tools to visualize, simulate and analyze real-world performance early in the design process to save time and money, enhance quality and foster innovation. For additional information about Autodesk, visit <http://www.autodesk.com>.
