

Video Available: Autodesk Discusses Makers and New Industrial Revolution at Wired Business Conference

May 9, 2011

SAN RAFAEL, Calif., May 09, 2011 (BUSINESS WIRE) --

Caption: Autodesk, Inc. (NASDAQ:ADSK) President and CEO Carl Bass joined Wired editor-in-chief Chris Anderson for a conversation about "The New Industrial Revolution" on May 3, 2011, at the Wired Business Conference in New York City. Bass announced that Autodesk plans to address the Maker Movement with a new free 3D modeling application coming out later this month called Autodesk 123D that allows individuals to create things in 3D. Bass also described some key partners that will help students, hobbyists or entrepreneurs get their designs made.
