

Advanced Solutions Named Autodesk Reseller of the Quarter for Q1

June 30, 2011

Partner Shows Exceptional Growth and High Performance

SAN RAFAEL, Calif., Jun 30, 2011 (BUSINESS WIRE) --

[Autodesk, Inc.](#) (NASDAQ:ADSK), a leader in [3D design](#), engineering and entertainment software, has again named Advanced Solutions "Reseller of the Quarter" for the Americas for the first quarter of the 2012 Autodesk fiscal year.

Autodesk selected Advanced Solutions from more than 200 Autodesk partners for the partner's exceptional year-over-year growth, as well as for exceeding first quarter sales targets in the architectural, engineering, construction, manufacturing and government industries. Advanced Solutions also showed a competitive edge, increasing Autodesk Subscription renewals and implementing best practices with their sales team to increase sales.

"Advanced Solutions has shown outstanding performance and dedication to the AEC and Manufacturing communities," said Dave Rhodes, vice president, Americas Sales, Autodesk. "The company has demonstrated extensive industry knowledge and technical expertise, as well as strong business acumen to support Autodesk initiatives and drive exceptional growth."

Advanced Solutions has become one of the largest [Autodesk](#) resellers in the United States, providing a wide array of software engineering services, design verification, simulation and custom software. Their experienced technical, sales, and marketing staff, combined with their experience in software solution implementation have, earned them Autodesk Gold Partner status.

"Winning Partner of the Quarter from Autodesk is always an honor and a thrill for the Advanced Solutions team," said Michael Golway, president and CEO at Advanced Solutions. "It's a best-of-the-best recognition for all the hard work our team puts into taking care of customers and delivering innovative Autodesk solutions and tools."

Autodesk selects the Reseller of the Quarter based on exceptional sales growth, customer support, best practices and industry knowledge and dedication.
